Ice Fishing

James is accompanying his grandfather. They are going to a nearby lake for ice fishing. James wore a blue pullover, a black overcoat and gloves. He also wore brown ankle boots. Grandfather carried two stools, an axe to chop the ice and make a hole, and a heater to prevent the fishing hole from freezing back. They also carried a fishing rod and spear. Ice fishing requires a lot of patience as finding a fish may not be that easy. Thus, they packed enough food as they would be active from dawn to dusk.

Answer the following.

1) Write a statement from the passage to show its winter?

2) What did James wear?

3) Did they pack food? Why?

4) Why did they carry a heater?

5) What fishing equipments were carried?

Ice Fishing

James is accompanying his grandfather. They are going to a nearby lake for ice fishing. James wore a blue pullover, a black overcoat and gloves. He also wore brown ankle boots. Grandfather carried two stools, an axe to chop the ice and make a hole, and a heater to prevent the fishing hole from freezing back. They also carried a fishing rod and spear. Ice fishing requires a lot of patience as finding a fish may not be that easy. Thus, they packed enough food as they would be active from dawn to dusk.

Answer the following.

1) Write a statement from the passage to show its winter?

'They are going to a nearby lake for ice fishing'. This line shows its winter.

2) What did James wear?

James wore a blue pullover, a black overcoat and gloves.

3) Did they pack food? Why?

They packed food as they would be active from dawn to dusk.

4) Why did they carry a heater?

They carried a heater to prevent the fishing hole from freezing back.

5) What fishing equipments were carried?

They carried a fishing rod and spear.
