

Connect the dots, identify the picture, and color it.

Name: _____

Date: _____

The image shows a dot-to-dot puzzle of a butterfly. The body and wings are already drawn with solid lines. The remaining parts, including the antennae, are represented by numbered dots (1-25) that need to be connected to complete the drawing.

Answer key

Connect the dots, identify the picture, and color it.

Name: _____

Date: _____
